AUDITORS' REPORT

We, the undersigned, auditors for the town of Moultonboro, certify that we have this day examined the foregoing accounts of the Officers of Moultonboro for the year ending January 31, 1925, and find the sum of Fifteen Thousand, Two Hundred Forty Four Dollars and Fifty Eight Cents (\$15,244.58) in the hands of the Treasurer.

Auditors.

TOWN OF MOULTONBORO

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Moultonboro:

The report of last year called attention to the need of a new school building at Moultonboro Village.

The need is even greater at present for there are seven more pupils in the upper grade room than were registered last year and the same number in the lower grade room.

There is a good spirit at the school and both teachers and pupils are doing excellent work. The parents must be helping too for there are fewer tardy marks and the attendance is high.

It really is too bad that they should have to contend with such inadequate facilities.

There are 252 school districts in the state and last year 242 of them spent more per \$1000 of equalized valuation for public education than did Moultonboro. The mediums town, that is those midway between the highest and lowest rates, spent twice as much as Moultonboro.

This is an indication of economical management, but it also shows that the children might be given better accommodations without putting an unreasonable burden on the tax payers.

Ambrose	18	15.9	94.4	0	176
Totals	103	76.7		124	

It is a pleasure to call attention to the record of the Ambrose school. For a whole school to have no tardy marks for a year is remarkable.

Attendance may be poor because of sickness or other good reasons, but many tardy marks indicate that something is wrong.

At the Center Harbor Village School there were 12 Moultonboro children in the primary room and 15 in the upper grades.
